Our Product:

Comprehensive Marketing and Tech Solutions

Takewin Group provides a suite of turnkey solutions encompassing digital marketing, software development, content creation, and business consultancy. Our services are designed to meet the unique needs of Middle Eastern and Gulf markets, ensuring high-quality deliverables at competitive costs.

Key Differentiators:

Digital Marketing: Tailored campaigns, social media management, SEO, and content marketing executed by a team of expert marketers based in Egypt.

- Software Development: Advanced website, mobile app, and SaaS solutions created by highly skilled software developers in Bangladesh.
- Media Production: High-impact video, podcast, and social media content crafted to elevate brand visibility and engagement.
- Consultancy Services: Business advisory, event management, and strategic planning tailored to the Middle East and Gulf market dynamics.

Development Status:

- All divisions within Takewin Group are fully operational, offering market-ready services. Our solutions have already proven effective, with a strong client base across the Middle East, Europe, and the US.

Protection & Market Strategy:

- While our offerings are service-oriented, we maintain a competitive edge through operational efficiencies, cultural alignment with the Middle East and Gulf markets, and cost-effective talent in Egypt and Bangladesh. Our strategy emphasizes continuous innovation, client-centric solutions, and long-term client relationships to secure our market position.

Our Partners: Building Relationships That Last

At Takewin Group, we believe in nurturing long-term relationships built on trust, quality, and results. Many of our valued partners originally came to us as clients, experiencing firsthand the commitment and expertise we bring to every project. Through successful collaborations and consistently delivering value, these clients transformed into loyal partners who share in our vision and journey.

Our unique approach to client satisfaction and business excellence has not only led to strong partnerships but has also made us a trusted name within the industry. The majority of our new clients come from recommendations, referrals, and industry recognitions. This powerful network effect is a testament to the quality of work we deliver and the satisfaction of our clients.

Why Partner with Takewin Group?

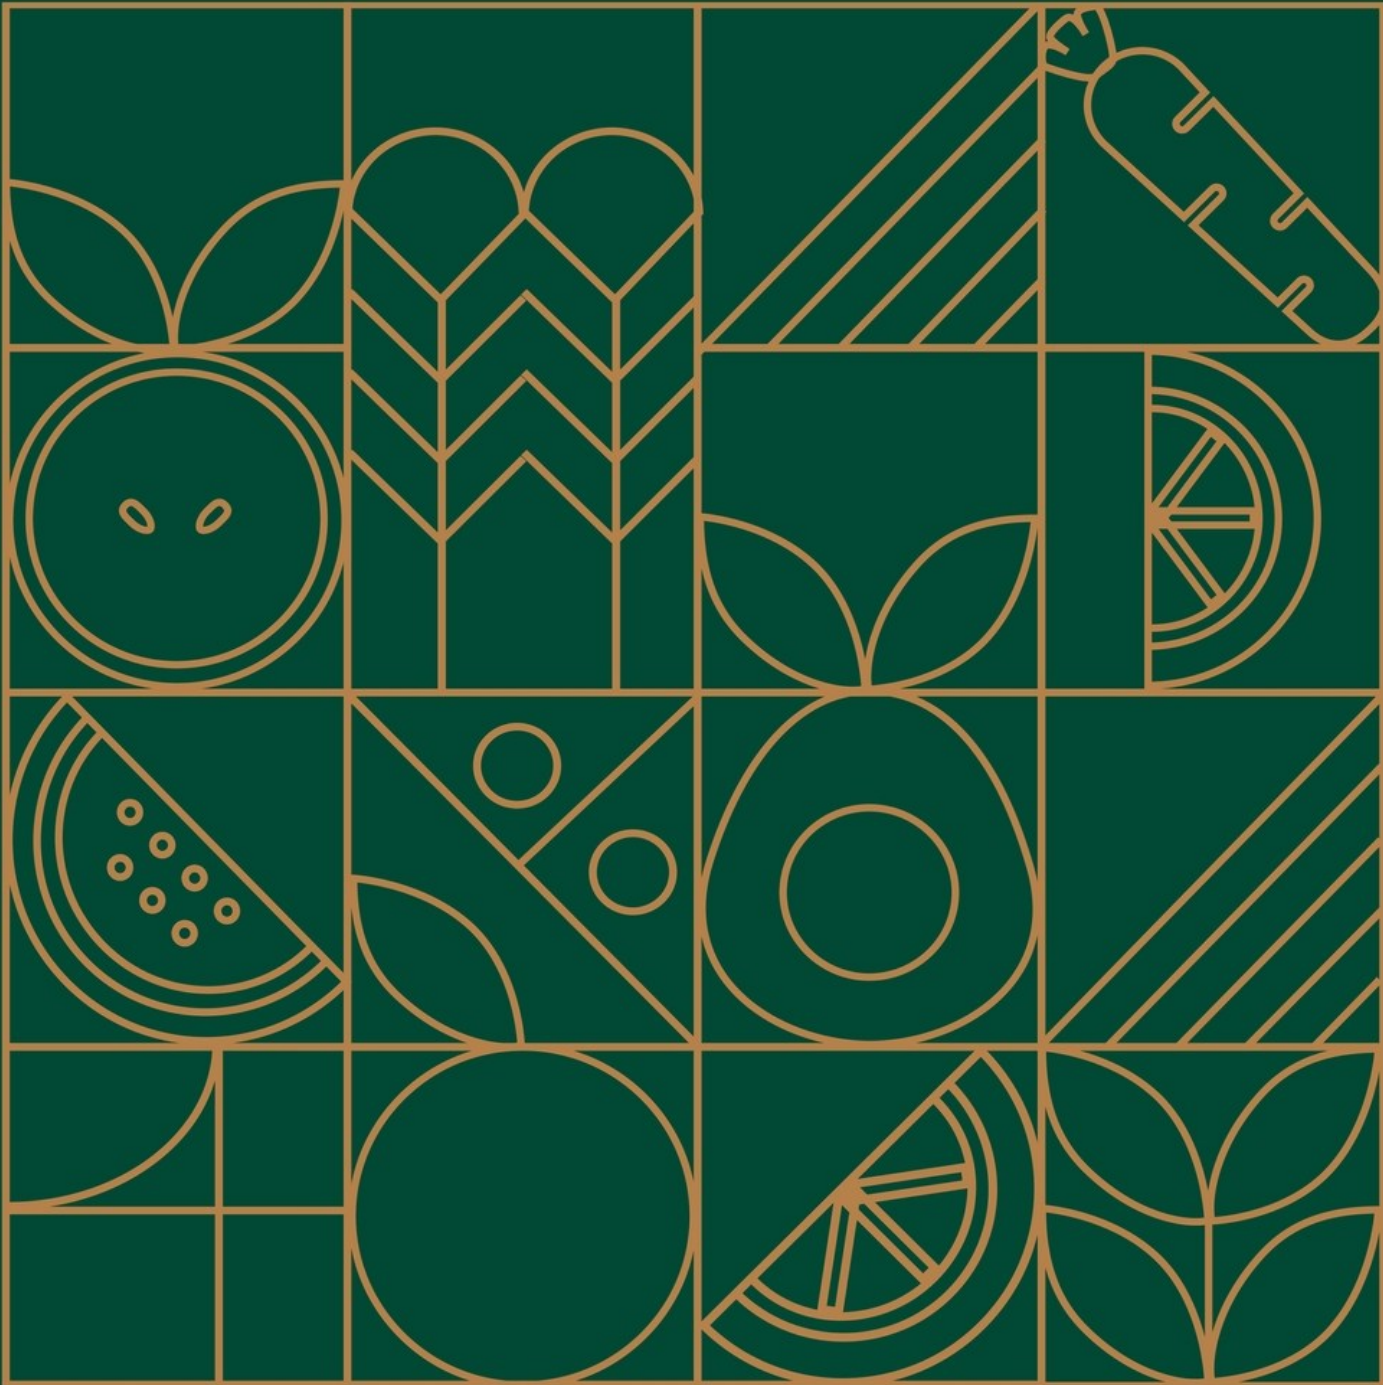

- **Proven Track Record:** Our journey with clients often turns into partnerships because we consistently go above and beyond in fulfilling their needs.
- **Strong Reputation:** Our high standards and commitment to excellence are well-recognized within the industry, attracting clients through word of mouth and referrals.
- **Mutual Growth:** Our partners benefit from our industry insights, innovative solutions, and dedication to mutual success.

Our Partners

Creating a community of partners who
Grow With Us ...

Your Perfect Export Partner

At **Takewin Trade**, we deliver a comprehensive supply chain solution that sets us apart as the ideal export partner. Through our strategic collaboration with our subsidiaries.

- **Seamless Sourcing:** Nasr Foods specializes in selecting the highest quality produce from our groves, guaranteeing that only the best oranges make it to market.
- **Efficient Logistics:** Takewin Group expertly manages logistics, marketing, and export processes, ensuring timely and reliable delivery to global customers.
- **Full Transparency:** Our integrated approach provides complete visibility throughout the supply chain, fostering trust and confidence in our partnerships.
- **Consistent Quality:** With a focus on maintaining premium standards at every stage, you can rely on us for oranges that arrive in optimal condition.
- **Dedicated Support:** Our committed team is always ready to assist, ensuring that your needs are met promptly and effectively.

When you partner with **Takewin Trade**, you're not just receiving premium oranges; you're joining forces with a dedicated team that prioritizes quality, reliability, and customer satisfaction. Together, we can meet the growing demands of your market with excellence.

Our Brands

Farm, Manufacture & Exports

Safa Oranges

Taste of Sunshine

Product Types & Varieties:

Each variety is nurtured in Egypt's optimal growing conditions, ensuring that you receive fruit that is visually appealing & also bursting with natural flavor. Whether you're looking for citrus for juicing, snacking, or retail.

Safa Oranges delivers the perfect product to meet your needs.

Navels

Seedless and easy to peel, Navel oranges are perfect for fresh eating with their bright, tangy flavor & convenient size.

Valencia

Valencia oranges are sweet, juicy, perfect for juicing, and snacking. Their vibrant color and long shelf life stand out.

Baladi

Known for their slightly tangy, refreshing flavor. They are versatile, great for juicing, snacking, and cooking dishes.

Shamouti

Seedless with tough skin, Jaffa oranges are perfect for export, offering excellent, sweet flavor and long-lasting freshness.

Other Citrus Fruits

Taste of Sunshine

Product Types & Varieties:

Each variety is nurtured in Egypt's optimal growing conditions, ensuring that you receive fruit that is visually appealing & also bursting with natural flavor. Whether you're looking for citrus for juicing, snacking, or retail.

Safa Oranges delivers the perfect product to meet your needs.

Clementine

These small, sweet, and easy-to-peel citrus fruits are perfect for snacking and are seedless with exceptionally juicy flesh.

Mandarin

They have loose skin, often referred to as "zipper-skinned," making them easy to peel and delicious to eat.

Grapefruit

Grapefruit is a subtropical citrus hybrid with a large, tangy-sweet fruit, ideal for fresh juice.

Lemon

Lemons and limes are tangy citrus fruits, rich in vitamin C, used for cooking, flavorings and beverages.

Contract Manufacturing

Takewin Trade excels in delivering private labeling solutions that empower brands to launch high-quality, market-ready products with confidence and ease. As an expert in contract manufacturing, we handle every stage of production, from initial research and development to the final packaging and delivery. Our team of specialists dives deep into market trends, consumer insights, and emerging technologies, creating products that not only meet but exceed industry standards. Each product is meticulously crafted to align with our clients' brand vision, allowing businesses to offer exclusive products without the need for their own manufacturing infrastructure.

With advanced facilities and rigorous quality controls, Takewin Trade is a trusted partner for both established and emerging brands seeking a seamless private label experience. We emphasize collaboration and transparency throughout the process, ensuring our clients are involved in key decisions while we manage production efficiency, compliance, and scalability. By choosing Takewin Trade as their private labeling partner, brands can focus on growth and customer engagement, knowing their products are in the hands of a team committed to excellence, innovation, and adaptability.

Support & Services for Our Importers:
